

ISAS CURATION

Stewardship of the
Illinois State Archaeological Survey (ISAS)
collections continues to be one of the
primary missions of ISAS.

It takes **5.5 minutes** to inventory an
artifact for our electronic catalog.

There are currently **392,029 entries**
in that catalog...

representing **30,710 hours**
of work...

**Which = 16 years
of full-time work!**
